Are Ready to Play.

Editor, Times: In reply to manager Colman, I wish to say that I am ready to play Wednesday or Thursday at 4:15 sharp, providing admission be charged as usual and donated to the City hospital and the playground on Berlin street. To play with free admission is poor sportsmanship, and very foolish when you reflect that you have laid claim to the championship of the state. The public demands that the two teams meet; therefore, I am ready, and it will also help two good causes if you will do your duty and accept this. I wish to remind you that Mr. P. Scampini and I are two different individuals, and that Tommy-rot about him does not concern me. The challenge and this is the extent of paper talk that I've had. Remember, I have both of your umpires to officiate these games. I stand ready to meet you personally for further particulars. This is final.

Our Anniversary Sale

was several hundred dollars ahead of any previous sale. The trade got real bargains, we got the money to use on fall goods and our pay comes in the way of extra advertising. This is to be a good fall for business. We are to take advantage of it. We have extra floor space now, having that part of our store recently occupied by Mrs. Shepard for a waist and drapery department. This change will appear to you as all right, more especially as it gives us an up-to-date fitting room. Our class of trade are entitled to all of these conveniences and we are pleased to be able to supply them. Our fall advertising will appeal to you as a push for business.

DRESS GOODS

Our last sale of Dress Goods was a good one and fully appreciated. It did not end there. We are to show you and with your permission sell you from the best, most up-to-date line of Dress Goods that we have ever offered for sale.

Serges are good in all colors and the price is 50c and 75c in good width.

We have several \$1.00 froths at 87c per yard, and a beauty in a 42-inch \$1.35 fine Taffeta in all of the best colors at \$1.00 per yard. (This is a special.)

Our very wide Cheviots—a cloth used by best New York tailors—in all of the popular shades, at \$1.35 and \$1.50, that in large cities sell for 10 per cent. more.

Our Dress Trimmings were selected from a line said to be the best shown in New England. If our selections were good, our line should be a good one. (Dressmakers are invited to look these new Trimming ideas over.)

We are selling Regal Oxfords for \$2.69 and Rubbers for 50c, closing them out to stay out. Best goods on the market.

NEW LACE CURTAINS

To build up our new Curtain Department, we expect to put out some very good values—not try to make it pay this season, only get the Curtain trade started our way again. These are to be shown in our new department, second floor, back end.

We will sell you a good wearing Nottingham Curtain in pairs for 50c; also Muslin Curtains for 55c, 75c and 95c, made of good, fine organdie.

This department has been in our basement for the past two years and has been neglected. Now we are to boom it, and that right now, this fall.

We have with our Lace and Muslin Curtains new Portieres, all colors and styles, new Table Covers and Couch Covers, shown under the best light in this city.

Does this mean anything to you who are trying to buy the above goods?

GARMENT DEPARTMENT

Our Garment Department, under the change, will be quite a bit larger, better lighted, and more convenient, to say nothing of a special ladies' fitting room, made especially to accommodate our fitting and alteration department.

Early buying is encouraged, for this reason: the strike in New York garment factories has been settled, and now the cost of making a garment is from one to three dollars more than before. This we can save you on garments that we have on hand and those that were bought previous to the strike. (It's an item worth considering.) Garment workers that were working 15 hours a day are now working nine hours, with an increase on each day's wages. You can figure this extra cost of manufacturing yourself.

We will make the largest bid for your garment and Fur business that we have made in years; yes, and your Children's Garments, as these are all in our store and paid for, so we know the cost. We have a good trade for you, if you do not wait until too late.

TALK OF THE TOWN

Sixty-three tickets were sold yesterday morning for the excursion to Montreal.

J. Ward Carver and Frank E. Austin returned last night from a week's visit in Boston.

Dog River Valley fair at Northfield, Vt., Tuesday, Wednesday and Thursday, Sept. 13, 14 and 15.

The Barre Rangers football team was defeated Saturday at Quincy, Mass., in their game with the Clan McGregor for the championship of the two cities. The score was 2 to 1 in favor of the Quincy team. The game was a hard-fought battle, the same as the game the two teams played some time ago in this city, which resulted in a 2 to 0 score for the Rangers. The Rangers team returned last night.

Owing to a mistake in booking, the Pavilion had three acts, instead of two, on hand for rehearsal this morning. As all acts had contracts for the first three days of this week, the management had to accept all, which it did with good grace, stating, "There's nothing too good for the patrons of the Pavilion, anyhow." A big show, and, judging from reports, a good show also, is therefore the attraction at the Pavilion for the first three days of the week.

Sunday and Monday arrivals at the City hotel follow: C. S. Killian, Yameo, N. S.; George W. Webb, Worcester, Mass.; C. P. Henderson, Boston; H. O. Staples, Portland, Me.; C. F. Prescott, Lawrence, Mass.; J. E. Jones, Boston; B. English, Providence, R. I.; F. H. Mann, Woodville, N. H.; F. H. Brown, Richmond, Va.; E. Bates, Montpelier; Mr. and Mrs. F. E. McCalliffe Burlington; G. A. Fischer, Amherst; J. E. Miles, Burlington; T. D. Simmons, Boston.
